Page "LION" Fencing

holds the stay and line wires in place and yet does not break the heavy galvanizing. It is ex-tremely strong and cannot slip and is one of the ost important features of the fence. The marginal and line wires being made of the best carbon spring steel are springy and elastic and Page fences absolutely will not sag. "LION" wire is heavily coated with the best quality of galvanizing and it is as rust-proof as fencing There is not a weak point in Page be made.
